Statement Concerning Open Judging: We are one of the few departments at any Fair that continues to have "Open Judging". We feel this is an opportunity for our exhibitors to learn more about what a judge looks for in a winning exhibit and to pick up tips from the judges and other exhibitors. We carefully select qualified individuals with expertise in the area they are asked to judge. Please remember that your comments and questions should be for acquiring knowledge. Please refrain from attacking the judge's decisions.

Ionia Free Fair is not responsible for articles lost, stolen, or damaged prior to, during, or after the Fair.
