Dairy Project Record Book *Intermediate (Age 12-14)*

Do **NOT** put this record book in a binder.

Name: _____

4-H Club: _____

4-H Leader: _____

Age (as of 1/1): _____ Years in 4-H Dairy Project: _____

MICHIGAN STATE
UNIVERSITY
EXTENSION

Rev. 1/2026

Why Keep Records?

Members learn more about their project animals costs, feed, health and management skills.

Documents activities and progress in the project.
Improves management and production practices.
Helps plan future projects.

Keep this record as part of your Personal 4-H Records.

This information is helpful in applying for 4-H awards and scholarships.

Remember - records are no better than what YOU put into them!

Dairy Leader's Signature: _____

Extra Credit for my Dairy Project?

- An outstanding 4-H project record is one that goes above and beyond what is expected. Be creative!
- A completed record book should have a beginning and final photograph. You are encouraged to be in the photo with your project animal(s) and to include more photographs. Include captions. You may use additional pages.
- Write a report on a related topic of at least one page: Proper Care and Nutrition, Selection, Animal Science, Safe Management Practices, Diagram of Farm Set-up, Veterinary Science, Food Products (such as sample "healthy" recipes) of cheese or milk, etc.

Date of Birth or Age:	RFID <i>(required)</i> : Tatoo: Left - Right-	

Name:	Breed:	Control or ID Number:
Date of Birth or Age:	RFID <i>(required)</i> : Tatoo: Left - Right-	

What is the most important nutrient for your project?

What does your animals feed consist of?

What type of bedding is used for your dairy project?

What is the milking procedure for a cow from beginning to end?

Records Questionnaire

Questions refer to the farm or herd where your cow/heifer is regularly housed.

What breed(s) of cattle does the farm have?

How many cows does the farm have?

How many lactating cows does the farm have?

How many dry cows does the farm have?

Is the herd on a dairy testing program?

If yes, which program?

Name the 4 Stomachs' of the Dairy Cow

Dairy Genetics

1. The Dairy Cow Unified Score Card classifies traits on which a classifier base's a cow's score. Each trait is broken down into body parts to be looked at and ranked. What are these four traits?
2. Describe proper udder traits:
3. Name one strength and how do you display this in the show ring?
4. Name one weakness and how you minimize this in the show ring?

Judging Skills

- Cow Pictures from magazines and/or cow from the farm
- Place pictures of 3 Cow's udders.
- Why did you place them this way?

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.

Dairy Cow Unified Score Card

Using the Dairy Cow Unified Score Card, list the criteria under each of the four major traits.

1. Frame - 15%

2. Dairy Strength - 25%

3. Rear Feet and Legs - 20%

4. Udder - 40%

Work you have done to prepare your Dairy Project
