Dairy Project Record Book

Senior (Age 15-19)

Do **NOT** put this record book in a binder.

Name: _____

4-H Club: _____

4-H Leader: _____

Age (as of 1/1): _____ Years in 4-H Dairy Project: _____

**MICHIGAN STATE
UNIVERSITY
EXTENSION**

Rev. 1/2026

Why Keep Records?

Members learn more about their project animals, costs, feed, health and management skills.

Documents activities and progress in the project.
Improves management and production practices.
Helps plan future projects.

Keep this record as part of your Personal 4-H Records.

This information is helpful in applying for 4-H awards and scholarships.

Remember records are no better than what YOU put into them!

Dairy Leader's Signature: _____

Extra Credit for my Dairy Project?

An outstanding 4-H project record is one that goes above and beyond what is expected. Be creative!

- A completed record book should have a beginning and final photograph. You are encouraged to be in the photo with your project animal(s) and to include more photographs. Include captions. You may use additional pages.
- Write a report on a related topic of at least one page: Proper Care and Nutrition, Selection, Animal Science, Safe Management Practices or Diagram of Farm Set-up, Veterinary Science, Food Products (such as sample "healthy" recipes) of cheese or milk, etc.

Dairy Project Summary

Number of years in the Dairy Project, including this year? _____

Have you participated in other dairy activities, or would like to participate in?

Yes _____ No _____

If yes, list the activities, shows, fairs or related programs attended: What were the three most important things you learned this year about dairy?

What were the three most important things you learned this year about dairy?

What are your goals for this year's dairy project?

Dairy Project Photos

Be creative. The more photos, the better! You are encouraged to be in the photo with your Dairy project animal(s). You should also include captions on your pictures that at least include the date of the photograph.

Name the Parts

Write the part number on each line.

Name:	Breed:	Control or ID Number:
Date of Birth or Age:	RFID <i>(required)</i> : Tattoo: Left - Right-	

How often is your project fed and watered?

What does your animals feed consist of?

What type of bedding is used for your project?

If your dairy project is milked, what is the milking procedure from beginning to end?

Records Questionnaire

Questions refer to the farm or herd where your cow/heifer is regularly housed

What breed(s) of cattle does the farm have?

How many lactating cows does the farm have?

How many dry cows does the farm have?

How many heifers and calves are on the farm?

Is the herd on a dairy testing program?

If yes, which program?

You've always wanted to work in the Dairy Industry but do not want to be a Dairy Farmer or Milk Producer. Describe another type of career you might look into:

Dairy Genetics

1. The Dairy Cow Unified Score Card classifies traits on which a classifier base's a cow's score. Each trait is broken down into body parts to be looked at and ranked. What are these four traits?

2. Describe proper udder traits:

3. Name one strength and how you display this in the showing:

4. Name one weakness and how you minimize this in the showing:

Dairy Cow Unified Score Card

Using the Dairy Cow Unified Score Card, list the criteria under each of the four major traits.

1. Frame - 15%

2. Dairy Strength - 25%

3. Rear Feet and Legs - 20%

4. Udder - 40%

Dairy Judging Skills

Cow Udder Pictures (Can use magazine and/or your own Farm Photos)

Place pictures of 3 Cows udders (1st, 2nd, 3rd)

Why did you place them this way

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Problem Solving

1. Name a vaccine that Dairy Farms use to prevent respiratory disease:

2. Your dairy animal has milk fever. What causes milk fever and what symptoms might the animal show? What is a proper treatment for this disease?

Work you have done to prepare your Dairy Project

[illegible]

I, _____, do attest and certify that I have completed the works tasks
(4-H Member)

listed above. I also understand that integrity and responsibility are important to the 4-H experience.
